## Help others. Get involved. Make a difference. Connect with your community.

When you choose to donate your time and talents as a North Shore Senior Center volunteer, you are taking part in a tradition that dates back to our founding in 1956. Whether behind the scenes, interacting with members and guests, or out in the community, volunteers play a pivotal role in our operations and success.

## Why volunteer with us?

As a volunteer, you support our mission of fostering the independence and well-being of older adults. You can help create a welcoming place for seniors to gather, socialize and participate in our Lifelong Learning programs and clubs. You can assist our Senior & Family Services staff as they work with older adults and their families in our offices or out in the community. Or, you can dedicate your time to benefit our House of Welcome Day Program for people living with Alzheimer's disease and other forms of memory loss.

We can match your talents, experience, schedule and interests to a volunteer role that brings you—and those you help—great satisfaction. We offer regular, flexible and occasional one-time volunteer opportunities in our Northfield and Niles locations as well as out in the communities we serve.

### Volunteering is a great way to:

- Share your talents
- Develop new skills
- Add structure and purpose to your day
- Meet new people
- Feel part of something bigger
- Make a positive impact
